Red Clay Education Foundation

Investing in our children's future

Feb 20, 2018

Dear School Leader,

The Red Clay Education Foundation is excited to announce this years Red Clay Hall of Fame Gala. The Gala is March 22, 2018 at the Executive Banquet and Conference Center, 205 Executive Drive Newark, De 19702. This event honors the best of our community.

The Gala raises money for The Foundation, which offers funding for after school programs, STEM initiatives, Dr. D's Book Club, literacy programs, water wise program, Distance Learning Labs, and so much more. The Foundation provides funding for additional educational opportunities to all children in Red Clay.

We are inviting our schools to participate in the gala this year by asking parent groups to coordinate donations for baskets to be raffled the night of the event. We are looking for themed baskets from each school. For example: a basket of candles, a night on the town, a barrel of gift cards, and so on. It would be awesome to have every school provide a basket to show their support of the work the foundation does and to honor the Hall of Fame inductees. You can also partner with another school to provide a basket.

All baskets must be ready for pick up no later than March 12, 2018. Once the basket is ready for pick up, please contact Yvonne Johnson.

Below is a list of Hall of Fame inductees. You will recognize many of these folks as they have made outstanding contributions to our Red Clay community for many years.

Thank you in advance. Working together we can make a difference in every child's life.

If you have any questions, please feel free to contact Yvonne Johnson at
